

Explore Old Wood

There is an extensive network of trails through the wood, including The Odin Trail, a family-friendly, surfaced cycle loop. Waymarkers on the 1.6km (one-mile) route guide you round the trail, taking in the striking carved arch and sculptures, along with the all-important picnic area.

To Harby

Route 64, Sustrans National Cycle Network

To Doddington

To Skellingthorpe car park and bike hire, and beyond to Lincoln
